

Push-Pull Type Toggle Clamps - Black

for optical measuring equipment

Optical Measuring Toggle

42050.2

OPTICAL MEASURING TOGGLE CLAMPS

Material

Body: malleable cast iron, matt black.
Levers and rods of tempered steel, matt black galvanised.

Technical Notes

For optical analysis applications.

Tips

Designed specifically for clamping of parts during photometric measurement. Uniform matt black surface prevents reflection, enabling easy „knocking-out“ of the clamp during optical analysis of a component.

| Order No. | Size | F ₁ kN | Clamping screw | Weight g |
|-------------|------|----------------------|----------------|-------------|
| 42050.W0103 | 3 | 4 | M 8x44 | 540 |
