

# Push-Pull Type Toggle Clamps - Black

for optical measuring equipment

## Optical Measuring Toggle

42050.2

OPTICAL MEASURING TOGGLE CLAMPS

### Material

Body: malleable cast iron, matt black.  
Levers and rods of tempered steel, matt black galvanised.

### Technical Notes

For optical analysis applications.

### Tips

Designed specifically for clamping of parts during photometric measurement. Uniform matt black surface prevents reflection, enabling easy „knocking-out“ of the clamp during optical analysis of a component.
