

Mini Cam Latches - Wing Handle

fixed grip - zinc

Cam Latches

CAM LATCHES

A1192

Material

Body & Handle: die cast zinc, bright chrome plated.

Supplied with: Cam.

Technical Notes

Suitable for max. panel thickness 1-2mm.

Can be fixed to panel either via spring clip fix, or M12 nut.

Tips

Quarter-turn opening or closing.

Wing actuates lock and also acts as knob/handle.
