

Magnetic Catches - Hermetically for clean room and medical environments

Catches & Latches

E5300

CATCHES & LATCHES

Material

Body: polyacetal.

Magnet: neodymium.

Strike plate: stainless steel, AISI 304,

specially treated for magnetism; or sealed
strike plate in polyacetal.

Technical Notes

For clean room and medical environment,
hermetically sealed.

Order No.	Type	Magnetic force kgf	Finish	Weight g
E5300.AC0010	Magnet	3	White	21.0
E5300.AC0020	Magnet	3	Black	21.0
